

Hello Sunday School children/parents (and all members and friends of First UMC),

We're doing many things differently these days -- including Sunday School!

Actually, this may be more like a melding of Children's Moments, Children's Worship, and Sunday School.....but the purpose remains the same for all of us -- to help all of us (and especially our children) grow in our faith.

This Sunday, September 13th, our online presence will begin with Children's Church at 10:00am, with our normal 10:30am worship service following directly afterwards. **THE ONE ON-LINE LINK WILL WORK FOR BOTH** -- those who want to join Children's Church at 10am may sign-in then, and can, if desired, sign-off when it is done, OR may remain online to see the 10:30am service; those who only want to attend the 10:30am worship service may join at that time. **Everyone is welcome to both services** -- but for the Children's Church, which is designed to be partially interactive, priority will be given to our Children's input and interaction!

Watch for the link for this coming Sunday, which will identify the 10am starting time. In the meantime, as we step into new ways of sharing the message and love of Christ, we will learn together, adapt together, and grow together as we retain our focus on what we do and why -- to grow in Christ.

Grace to you,
Pastor John
