

Join First UMC's Glass Recycling Program Today!

Did you know that glass takes more than 4,000 years to decompose – even longer when it's buried in a landfill? But there's no need for glass to be discarded. It can be reused over and over again.

The glass we recycle through First Church is reused by businesses in Salt Lake City that make decking, road construction material, insulation, and new bottles and jars.

Our program accepts all colors and types of glass. Just rinse out the bottle or jar, remove the lid or cork, and deposit it in one of our recycling bins. The gray and red receptacles line the east fence behind the Missoula Symphony office, next door to the church. They're accessible from the alley, 24 hours a day.

The cost is \$5 per family per month. As we increase our participation, we'll be able to reduce that cost, even while adding recycling bins. To enroll in the program, call or email Sherry Devlin at 406-546-1016 or sherrydevlin@gmail.com.
