Tzedakah Pocket Offers Hope

We had quite a bit of activity this month. We paid some bills to help individuals get through the month, paid some storage costs, and paid to help maintain communication devices individuals needed for work. We also paid for several nights at Motel 6 for a couple as well as bought bus tickets to Spokane for them so the wife could get complicated surgery.

A summary of assistance provided by our church's Tzedakah Pocket ministry for the month of March 2026 and Year to Date 2026 are shown below. We help whenever we can with as much as we can. Please continue to donate whenever you are able. We can make a difference for those who come to us for assistance.
