

## **First UMC Glass Recyclers Welcome Another Member!**

Longtime First UMC member Jacque Walawander joined our glass recycling program this week. Welcome!

Now we just need four more members or friends of First Church to join the program by January 1 and we'll meet our 50-family goal for 2022.

Recycling Works picks up our collected glass twice a month. All our glass is reused by businesses in Salt Lake City that make decking, road construction material, insulation, and new bottles and jars.

Our program accepts all colors and types of glass. Just rinse out the bottle or jar, remove the lid or cork, and deposit it in one of our recycling bins. The gray and red receptacles line the east fence behind the Missoula Symphony office, next door to the church. They're accessible from the alley, 24 hours a day.

The cost is \$5 per family per month. If we increase our participation to 50, we'll be able to reduce that cost, even while adding a recycling bin. To enroll in the program, call or email Sherry Devlin at 406-546-1016 or [sherrydevlin@gmail.com](mailto:sherrydevlin@gmail.com).
